What is expected in 2019

The second application round has closed on 15th January and the selection process has started. The final selection will be made until March 29th.

The Consortium-Industry Liaison Group (CILG) will meet once a year during the student intake years and the venue will be rotated among partner locations. The first CILG Meeting will be held in Lahti in May 2019.

The first MURCS group students will make their choices for the second academic year and part of them stay in Finland, part will return to Glasgow and part will go to University of Huelva to continue their studies and Master thesis.
